Help make a difference for families affected by childhood cancer

At The Joshua Tree, we're passionate about ensuring every family affected by childhood cancer has access to the support they need, when they need it most.

Our fundraising volunteers are at the heart of everything we do. From helping behind the scenes to supporting exciting fundraising events, you'll play an important role in helping our team raise funds and awareness across our communities.

Whether you have a few hours each month or can volunteer more regularly, we'd love to welcome you to our team.

What you'll be doing

No two days are the same, but your role may include:

- Supporting fundraising events, including occasional evenings and weekends
- Helping set up and pack down at events
- Welcoming supporters and representing The Joshua Tree
- Preparing fundraising materials and event packs
- Administrative support within our fundraising team
- Organising and sorting donations or event equipment
- Helping with community collections and awareness events

- Providing general support wherever an extra pair of hands is needed
-

We're looking for someone who is:

- Friendly, enthusiastic and reliable
- Organised and happy to work as part of a team
- Passionate about supporting local families
- Happy to get involved with a variety of tasks
- Able to volunteer flexibly when available

No previous experience is necessary, we'll provide any guidance and support you need.

What you'll gain

As a Fundraising Volunteer, you'll become part of The Joshua Tree family while making a real difference to families affected by childhood cancer.

You'll also benefit from:

- Meeting new people and becoming part of a welcoming volunteer community
 - Developing new skills and gaining valuable experience
 - Supporting exciting fundraising events throughout the year
 - Flexible volunteering that fits around your lifestyle
 - Knowing your time is helping families create positive memories together during incredibly difficult times
-

Why volunteer with us?

Every event we organise and every pound we raise helps ensure families affected by childhood cancer can access emotional wellbeing support, practical guidance, therapeutic activities and opportunities to connect with others who truly understand.

Our volunteers make that possible.

Interested?

We'd love to hear from you.
